

# The 2011 Ocean City Scavenger Hunt

All clues take place on, or in the general vicinity, to the boardwalk. Unless explicitly directed otherwise, a picture must be taken of each of the decoded clues. It is always preferable to have one or more team members in the picture, when practical.

1) I love this building! I'm crazy about it! I'm its biggest fan! I can't say enough about this building! Take a picture of me (not the stupid building).

Answer: fan on side of condo

2) Dropping your trash on the boards is not a good thing.

If the OC police catch you, you'll likely get ding'd.

But if one were to stoop to such a hideous offense

At this store, your crime would make the most sense.

Litterers

3) My face hurts from the continual smiling

I'm tired of mascara, eye shadow and styling

The hairspray is tedious and makes me cough

My name is Colleen...I want the night off

Colleen: candidate for Miss Ocean City

4) Shut yo mouth, you downsized mammal.

I'm as big as they get...it's a safe gamble

My boardwalk representation is fully life sized

Take a pic of me now, to be fully apprised.

Giant whale pic on side of building on the boards

5) Miley, Jackson and their good ol pop

Would like to drink at this beverage shop.

Thinking of drinking here may make you drool

But on a hot summer day...hey "that's really cool"

[Stewart's Root Beer](#)

6) Snookie won't find a nightclub on the boardwalk

No booze and too much wholesome talk

But while this clothing store name may seem quite befitting

Her pair of bazunkas will never be fitting.

[Jersey Shore Outlet](#)

7) On a close evolutionary branch to us, is this animal's manifestation

But at OC, it is contained in a mode of transportation

The image is funny...not at all depraved

But Igor Sikorsky may roll over in his grave

[Monkey in helicopter](#)

8) This establishment has thrived for a very long time

Through Grandmom's generosity, she's spent plenty a dime

Enjoyment comes at the end of the day

Its centennial is just eight years away

[Kohr Brothers](#)

9) Buckshot accelerated from such a gun

May translate into exhilarating summer fun

You are the buckshot...gravity's your gunpowder

You will wet your pants as you scream a bit louder

[Shotgun Falls](#)

10) This experience is tame for most of the trip

But the finale may make you a whopping big drip

If you're lucky and smart you'll choose the front

Because in the rear you'll take the brunt of this stunt.

[Log Flume](#)

11) So you say you can't get enough of Aunt Lynne?

You want some Moor, to sustain your grin?

Here, a small drink is too large and expensive

But we enjoy without guilt...no need to be pensive.

[Moorlyn Cinema](#)

12) NBA scouts are looking at your team

The highest score documented will make you supreme

You have money for 3 "go's"....do not spend more

Lest you run out of money for other contrived chores

(Note: due to logistical changes, money will no longer be spent on other riddles so don't be confused.)

[Arcade Basketball](#)

13) Merlin is a well known magical wizard

On the boardwalk, he is protected by two flying lizards

Please visit this wonderful, powerful magician

Avoid his transformational spells that may change your disposition.

[Wizard statue on top of store](#)

14) These bottom feeding crustaceans involving hot oiled potatoes  
Are significantly less healthy than fruit or tomatoes  
But they sell them they do and people eat them galore  
If mom or dad eat them, our core will grow more.

#### Crab Fries

15) Does England have a 4<sup>th</sup> of July? Of course they do.  
But there, it's likely that celebrations will be few.  
Here we proclaim that our country is free  
Evidence is required, via pyrotechnic debris

#### Fireworks garbage

16) Most have three rings and plenty of clowns  
Ours has kites to wipe away your frown  
It's cluttered with cool stuff like yo-yos and boards  
Yet it "airily" holds balls, buckets and swords.

#### Air Circus

17) It is perhaps the oldest store on our walk  
When we watch them make candy, it's easy to gawk.  
Their balloons are fun, but can break....oh drat!  
So we buy their well-known product....go chew on that.

#### Shrivers

18) No picture, it seems, is required here.

Simply list the **most** characters that have been costumed, my dear.

Think back over the years cause some are no longer found

But what they all have in common is that they make not a sound

Bonus Question/Extra Credit: Note, this does not require a pic nor does it reference any Ocean City concept. Merely tell us, "who I am".

o) I know that you love me, as I do you

Happiness abounds in our aggregation of relatives

I'm inspired to embrace you greatly, and, perchance, convey a peck on your cheek

Will you not speak of such sentiments with complete reciprocity?

I love you, you love me

We're a happy family

With a great big hug and a kiss from me to you

Won't you say you love me too.

Answer = Barney

The following clues are NOT part of the scavenger hunt as matters of timing and logistics now prevent their usage. They are included here, for your amusement.

o) Lifesavers are great, and come in many flavors

But be careful the meaning, lest your interpretation waver

A taped-on envelop awaits Team Jess at "1<sup>st</sup> Street"

Whereas Team Ben at “St James” is where your feet meet.

- o) With your envelop in hand, you’ll know it’s a ticket  
But have you thought through in what palm you must stick it?  
If you have, then go! Go cart your team there!  
We need of pic of the fun...please smile with flare!

- o) Glossy card board rectangles can be as expensive as hell!  
But hats, T-shirts, doo-dads and massages they sell  
Take a pic of the birthday celebrant patronizing the latter  
We’re supplying the money, so what’s the matter?
